We need help this Friday, Nov. 7, at Eagle field for our Homecoming game! If anyone has a portable generator that we can use to power some flood lights to illuminate our parking areas, it would be greatly appreciated. Our field lighting is not powerful enough to provide the coverage we need outside the fences. Since this game will determine the district champion and playoff seedings as well as introduce the Homecoming court, we are expecting our largest crowd of the season. Please call our office if you can loan us a generator and/or lights for this event.

Eagles Ranked 3rd in State Preseason Poll!

Our varsity football team has been ranked by sixmanfootball.com as the 3rd best team in TAPPS Division 1 football for the 2008 season. This is our highest ranking ever in six-man football and is already bringing us attention from around the state. We have the largest number of boys out for football to the point that Coach Ware has had to create a JV schedule to get everyone some playing time. Be sure and check the schedule each week to find out information about the next scrimmage or game. This could be the Year of the Eagle!
